本事

時間代表人生歷練的過程，有成長的喜悅，也有歲月流逝所帶來的殘酷。童年的夢與寂寞，少女的期待與失落，青年的熱情、奔放，如野馬，成年後的雜亂無章，對人生的回顧…等，由四個年輕新銳來共同完成這個故事。

SYNOPSIS

For humankind, the elapsing of time means striving with vicissitudes of life to weather through — joys of growing up, inextricable bitterness derived from perceiving advancement of age, the dream cherished and the solitude borne in childhood, ardent expectations of a lass and her despondency, vigor and zealousness of youth, life of grown-ups thrown into a muddle and indulged in reminiscence. Four stories respectively directed by four potential and promising young film artists are perfectly combined and integrated into a consistent plot.
