A musical action-adventure fantasy, set in the mythical kingdom of Agrabah, this animated feature tells the rags-to-riches story of Aladdin, a street-smart thief who dreams of a better life. He is enlisted by the Sultan's evil Vizier to steal a magic lamp and with the help of the flamboyant wish-fulfilling Genie within, attempts to win the hand of the fair Princess Jasmine and defeat the evil Vizier. The film features original songs by Howard Ashman & Alan Menken, the Academy Award-winning composers of "The Little Mermaid" and "Beauty and the Beast."
