MIKE KUCHAR

The KUCCHAR movies must be seen to be believed. With startling grace, wit and inventiveness the KUCHARS turn juicy BRONX wenches into exotic maidens, their mother into a domesticated Dietrich and old odds and ends into a monster cockroach, an appallingly funny symbol of the horror of URBAN Life.

—Jack Kroll—NEWSWEEK

What the KUCHARS do is virtually indescribable because nothing like it has ever been done before. I don't really like the KUCHARS, but they are originals.

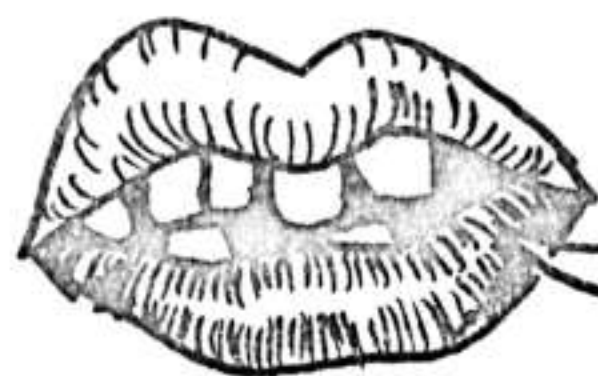

—Andrew Sarris—Village Voice

The precocious KUCCHAR twins display a marvelous improvisatory quality, a great sense of being with it, and an even greater sense of humor about the whole underground scene.

—Arthur Knight—Hollis Alpert—PLAYBOY
