SHE'S GOTTA HAVE IT

Directed by Spike Lee

The film which announced a major new director, Spike Lee's first feature is sexy, bawdy, freewheeling and electric, an exuberant collage of staccato montages, still frames and confidential asides to the camera. At the center of the vortex is one of Spike Lee's most impressive creations: Nola Darling, a free-spirited woman who shares her bed with three men yet is too independent to fall for the vanities of male behavior.

USA, 1986. 84 mins. B&W. Rental: Apply.
