圭三趁著剛剛離職，新工作又未上任之際，回到家鄉休息。他重遇初戀情人冬子，並得悉對方的丈夫已經去世。二人本來有意重修舊好，但敵不過冬子夫家的百般阻撓和村民的竊竊私語，最後好夢難圓。高山純樸的自然美，襯托着「情若無花不結果」的故事，木下惠介把男女情愛拍得細緻動人。

A delightfully mordant satire about a typical postwar family — greedy to the core. Everyone is after everyone else's money. In particular, it is the money-grubbing mother-in-law's assets that are coveted. A lucky lottery chance draws the attentions of an even greedier group — a trio of young thugs who stake out the neighbourhood. The complications created by all of these greed-driven folks make a comedy of bad manners which is the equal of any of Kinoshita's postwar comedies. And in the end, not everything does come out all right.
