### **'Roger & Me' takes home more honors**

"Roger & Me," Michael Moore's documentary about Flint's economic relationship with General Motors, won the Most Popular Film Award at the eighth annual Vancouver (British Columbia) International Film Festival last week.

The film beat out 155 other entries for the award, determined by audience vote, said festival director Alan Franey.

"Roger & Me," which won a similar award last month at the Toronto Festivals of Festivals, will be screened Sunday at the Chicago International Film Festival.
