Dear Friend:

The York Theatre is proud to present the Northern California premiere engagement of "CRUEL STORY OF YOUTH", Oshima's 1960 story of disillusionment, sexual obsession and the perversion of traditional values in postwar Japan. The print to be shown at the York is newly-struck and in Cinema-Scope. The film has a running time of 96 minutes, and has not been rated by the MPAA.

"CRUEL STORY OF YOUTH" is the second film in Oshima's oeuvre, which includes "In The Realm Of The Senses" and "Merry Christmas, Mr. Lawrence". It stars Yusuke Kawazu and Miyuke Kuwano.

Press materials will be available at the screening. I hope that you will be able to attend.

Cordially,

Jeffrey Diamond
