## **Fruits Of Love (Love's Berries/Yahidha Kokhannya)**

Dovzhenko's first film is a charming slapstick comedy of errors about love and marriage, filmed in three days in an Odessa park. When Dovzhenko began making films, he thought he would devote his artistic career to the creation of comedies. Despite several comic screenplays for unrealized films, Dovzhenko never succeeded in making another comedy. —Tom Luddy, Yvette Biro
