### Meet Filmmaker Charles Burnett:

BFHFI is proud to present this selection of the work of Charles Burnett as the premiere event in its *Independent Film Screenings* series. The much-honored L.A. filmmaker is a recipient of the prestigious \$275,000 MacArthur Foundation grant - the so-called "genius" award.

A 1973 UCLA master's graduate, Burnett was a part of a stellar group of budding filmmakers there - including Haile Gerima and Larry Clark - whom critics have termed responsible for "a decisive turning point in the development of Black cinema." He is currently at work on the soon-to-be-released *To Sleep with Anger*, (co-Executive Producer Danny Glover).
