THE FILMS OF INGMAR BERGMAN

THE MAGICIAN, 4:30**, 7:00, 10:20

Whether taken as an intellectual horror film, a symbolic self-portrait, or a Christ parable, *THE MAGICIAN* is one of Ingmar Bergman's most compelling films. Max Von Sydow stars as a wandering magician, with a bag of tricks that turn him from magician to savior, then to con-man, and finally to artist extraordinaire. Written and Directed by Ingmar Bergman. With Max Von Sydow, Ingrid Thulin, Gunnar Bjornstrand. (1958, 101 mins, 35mm, English titles)
