A hilarious and delightful fantasy, this magical musical is sheer sparkling entertainment! Goopy and Bagha are given 3 wishes by the King of Ghosts. Their choices: never to be hungry, to travel as they wish, and to be great musicians, plunge them into an adventure in which they employ their spellbinding musical gifts to settle a war between two kings. Of course they win beautiful princesses, at which point the film blossoms into color to capture the enchantment of the moment. The fairytale quality of the story is personified by the ancient magician who prances like a grasshopper while performing his miracles. With songs composed by Satyajit Ray himself.
