"A Face In The Crowd has more to say about Life in America, Television, Politics, Advertising and People, than any two pictures."

— *New York Post*

"What Kazan and Schulberg have sought to expose is the danger that the Mass Media can be used for the manipulation of the Mass Mind."

— *Saturday Review*

"The movie packs a heavy wallop. There is something almost hypnotic in the spectacle of a dumb country boy who actually is a malicious drunk, selling himself to the American public as a folksy saint."

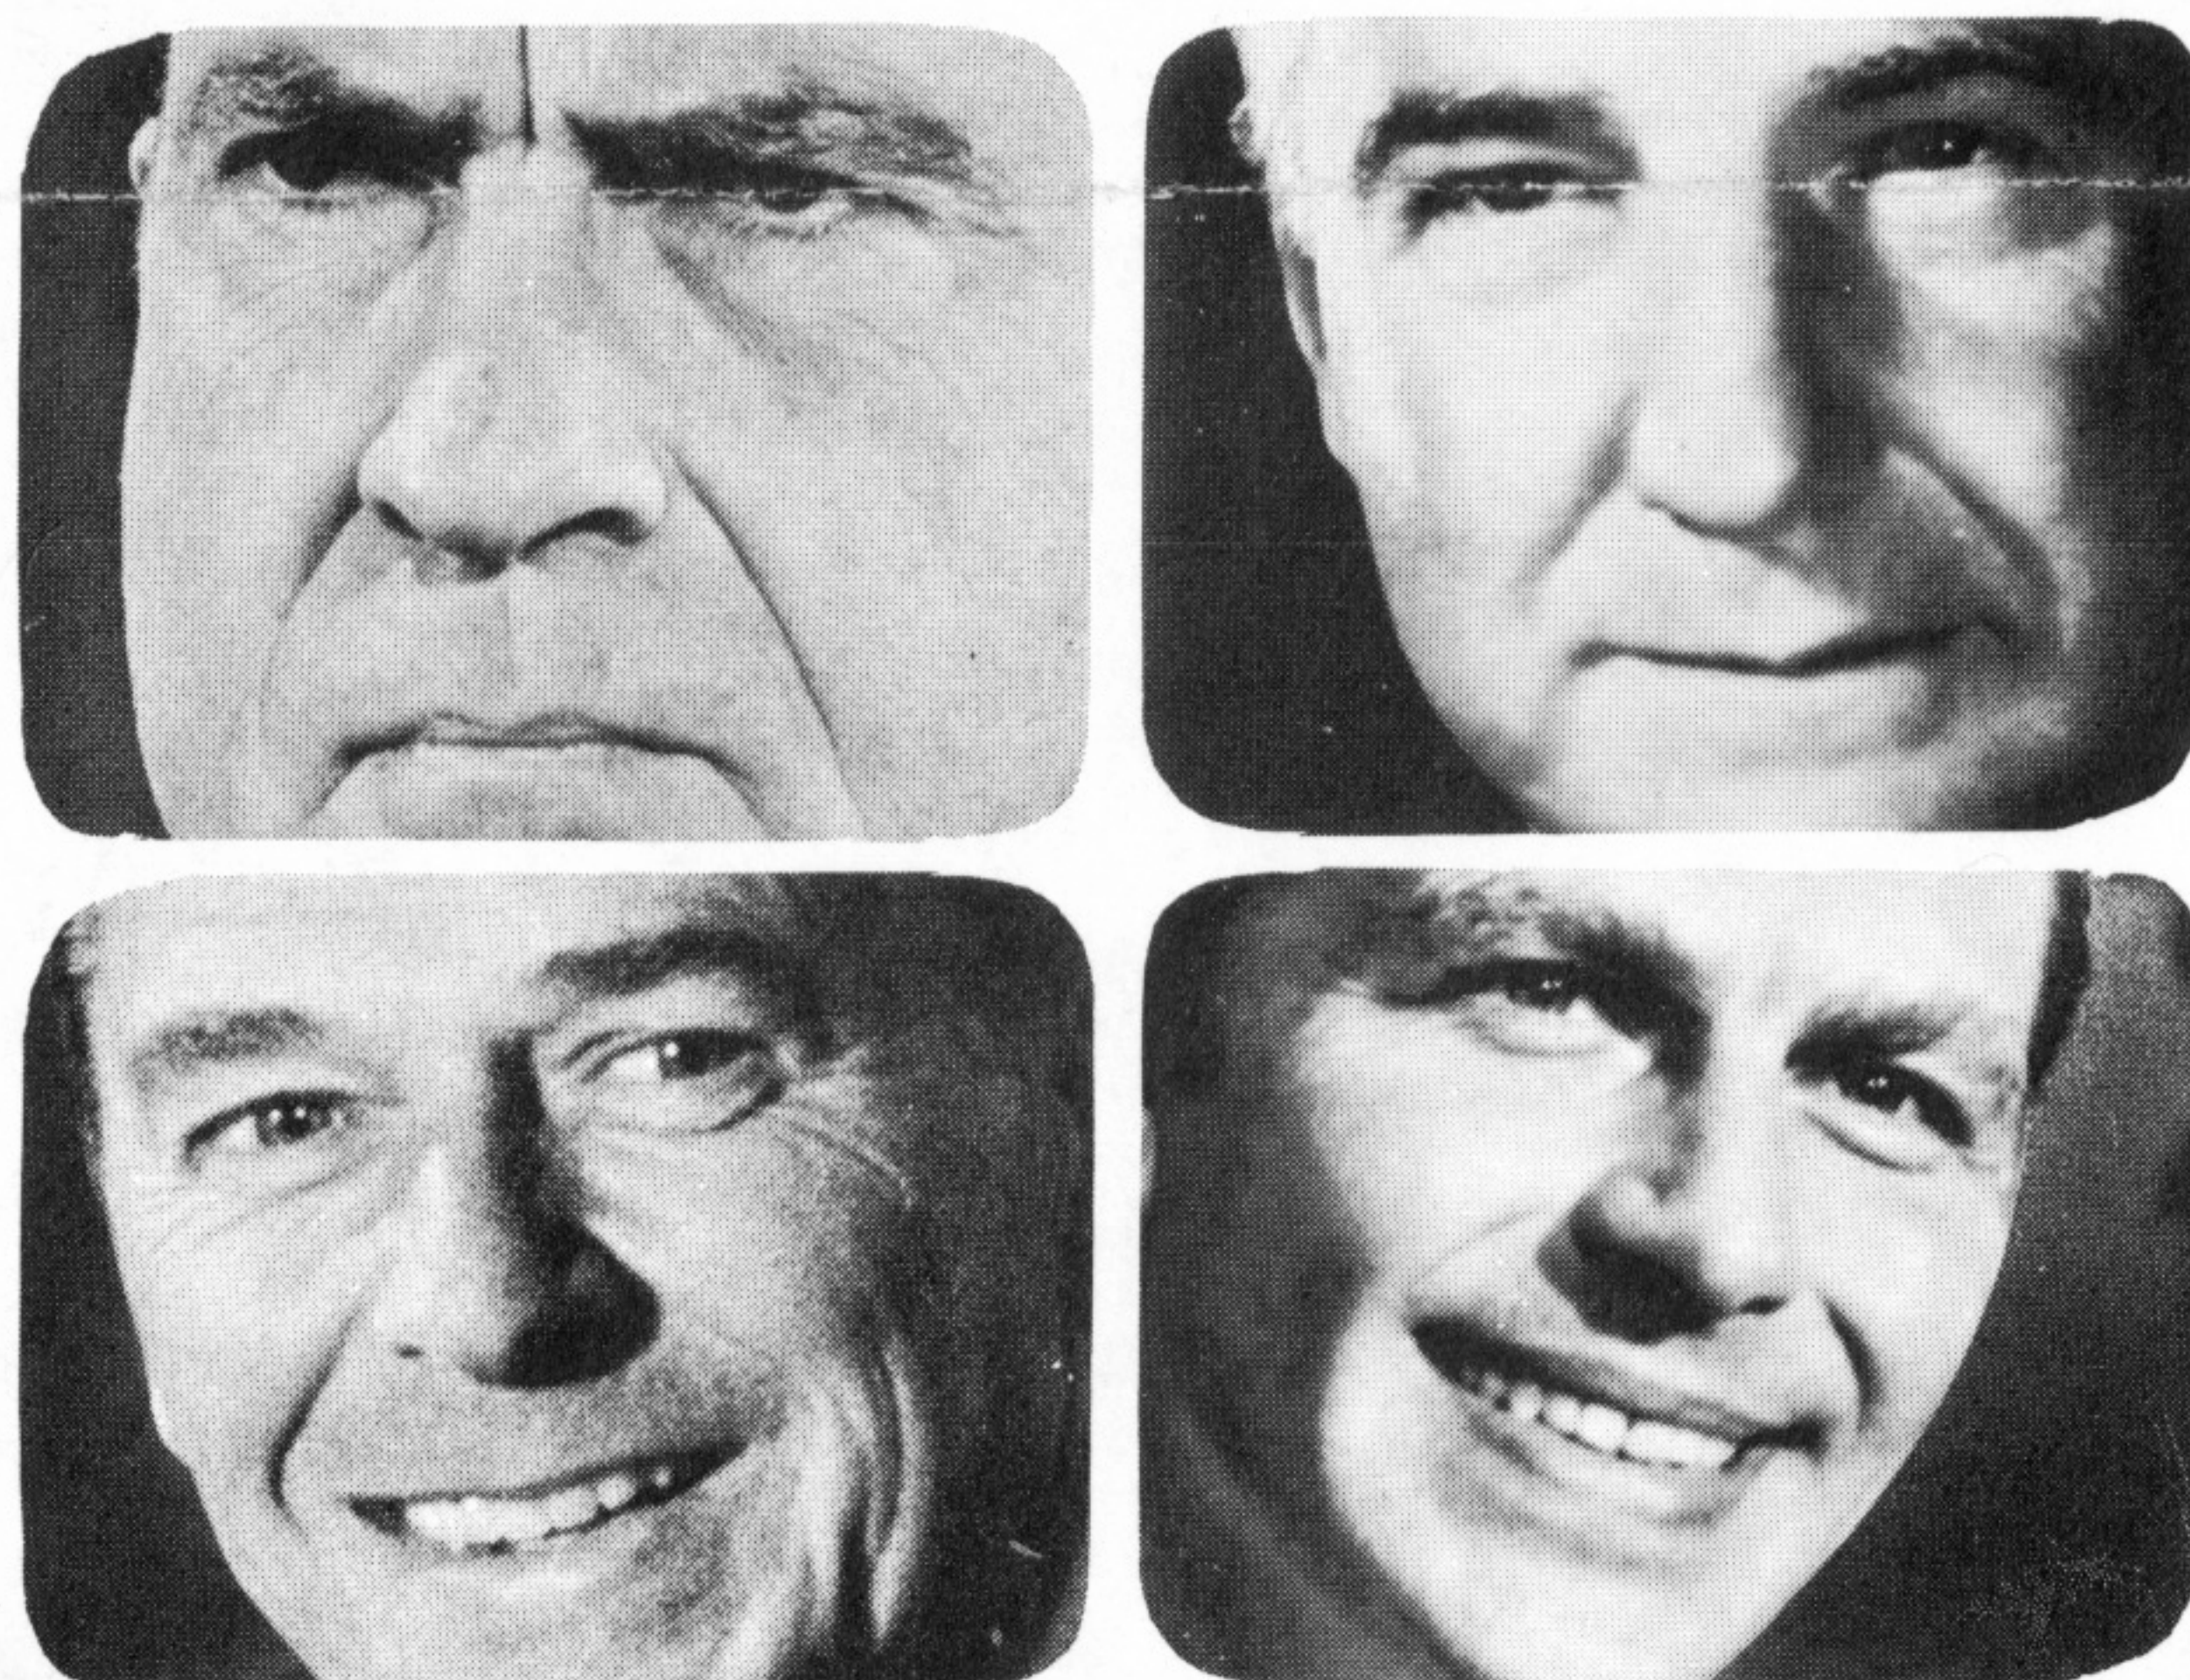

— *New York Herald Tribune*

"Mr. Schulberg and Mr. Kazan have molded an amiable monster that on full viewing makes the blood run cold. A sizzling and cynical exposure."

— *New York Times*
