Kansas Court Grants Injunction Against "Birth of a Nation"

The District Court of Shawnee county, Kansas, has granted an injunction against showing of "Birth of a Nation" in Kansas.

The injunction was in fact not necessary, as representatives of Sherman and Elliott, distributors of the picture, had agreed not to exhibit the picture until the Supreme Court case was decided.

The injunction suit had been brought while the picture was being shown in Topeka as a test of the law, and to bring the matter to an issue it was given three performances, to large crowds.
