**DATE :** 1983

**ACTORS :** Sandrine BONNAIRE  
Maurice PIALAT  
Evelyne KER  
Dominique BESNEHARD

**SYNOPSIS :**

Suzanne is 15, a lovely teenager who seems to live the life of most girls her age : talking about flirtations, their problems and their families. Yet Suzanne comes from an astoundingly dysfunctionnal family and her appetite for sex is seemingly insatiable. The more she trips carnally the more she becomes an emotional castaway. Suzanne eventually meets Jacques and for the first time she is able to confide in someone.
