re: Satyajit Ray's Accomodations

I have decided to put Mr. Ray in the Faculty Club rather than the usual Durant Hotel because:

- 1) The Faculty Club has a VIP Suite available with a sitting room and some kitchen facilities. Perhaps Mr. Ray will have some dietary problems, and here he can make tea at all hours, etc. And the Faculty Club is used to handling Indians and others with special food needs.
- 2) Ray is 6 foot Five Inches tall and has a bad knee, and requires a very large bed. Faculty club will give him a King Size Bed.

He will be in VIP Room, Number 22.

Cost is \$25.00 per night.

I had to give a sponsor for him who is a member of the Faculty Club, and I took the liberty of giving the name of Garff Wilson. Hope this is okay. The bill can be passed on to us for payment, and though now I am stymied with accounting because of Ray's foreigner status, I will find a way to pay it.

Hope the above meets with your approval.
