# LOVELY MAUREEN O'HARA CAST IN COLORFUL ROLE

Lovely Maureen O'Hara plays John Wayne's wife in Republic's stirring re-release drama, "Rio Grande," current attraction at the.....Theatre. This role, under the direction of John Ford, is not a new one to the beautiful Irish star who, in the company of Wayne and Ford, made motion picture history with another Republic success, "The Quiet Man."

Maureen, who tasted her first film fame in London, in "Jamaica Inn," with Charles Laughten, also won fame in her first American film, "How Green Was My Valley," another John Ford production, which brought the director one of his four Academy Awards.

In her career, Maureen has proven herself to be equally gifted in straight drama, high comedy and fantasy.
